Texas Treasure Award Given to San Antonio Architecture Firm Marmon Mok

WHAT: District 26 State Senator Leticia Van de Putte will present Marmon Mok Architecture with a Texas Treasure Business Award. The award pays tribute to Texas' well-established companies and their exceptional historical contributions toward economic growth and prosperity to the state. To be eligible for the award, companies must be more than 50 years old, remain involved in the same type of business in the same county as when originally founded, and have continuous record of employee or corporate community service involvement. Businesses are nominated by their state representative or state senator and certified by the Texas Historical Commission.

WHEN: Tuesday, January 4, 2011
10:00 a.m. until 11:00 a.m.

WHERE: Marmon Mok Architecture
700 N St. Mary's, Suite 1600
San Antonio, Texas 78205

NOTES: Marmon Mok Architecture (www.marmonmok.com) is a leading San Antonio architecture and interior design firm that has been instrumental in shaping the San Antonio skyline since its inception in 1953. Today, the firm's projects can be found throughout the state of Texas. The firm is led by eight partners and is organized into five practice studios: Education, Public Architecture, Healthcare / Senior Living, Recreation / Sports and Interior Architecture. Marmon Mok has received multiple awards in recent years, including the 2008 Firm Award from the Texas Society of Architects.
