New Name, New Features from Vela at Paloma Blanca

SAN ANTONIO – June 29 - Vela Wine Bar officially changed its name to **Vela at Paloma Blanca**, now offering classic cocktails in addition to Vela's growing list of fine wines and unique small plates. Vela also added the following new features to enhance the Vela experience for guests:

- NEW – **“Reverse Happy Hour.”** Vela at Paloma Blanca created the Reverse Happy Hour from 9 to 11 p.m. on Thursday, Friday and Saturday evenings. Guests can enjoy select \$5 glasses of wine, \$5 cocktails and \$5 appetizers from Vela's Happy Hour Menu, which can be found at <http://www.velaatpalomablanca.com/main/index.php>.
- NEW – **“The Pleasure of Paloma.”** Vela at Paloma Blanca is owned and operated by the longtime restaurant Paloma Blanca Mexican Cuisine and is conveniently located next door at 5800 Broadway, San Antonio, TX 78209. Guests at Vela can now have the best of both; Vela is extending Paloma Blanca's full menu for guests who want to enjoy the variety of Paloma Blanca's cuisine while experiencing the Vela atmosphere and complement of wine and spirits.
- NEW – **“Your Own Private Vela.”** Vela at Paloma Blanca is now available for private functions including meetings, dinners and parties. Vela comfortably seats up to 50 people and catering is available from Paloma Blanca Mexican Cuisine.
- ONGOING – **“Girls Night Out for a Good Cause.”** Vela at Paloma Blanca and Paloma Blanca Mexican Cuisine are committed to strengthening families and have a history of supporting local charities in San Antonio and Bexar County. Vela's "Girls Night Out" will continue that tradition. Vela partners with local fashion and beauty vendors and hosts Girls Night Out events on the second and fourth Wednesdays of every month. A portion of all Girls Night Out proceeds are donated to each event's designated charity.
- ONGOING – **“Wine School.”** On the second Tuesday of each month, Vela at Paloma Blanca hosts a wine class that promises a new discovery. Each class has a special theme and step-by-step tastings are paired with the perfect culinary companion.
